

Cookie Policy – IPAY

Last updated: 30 mei 2026

1. What are cookies?

Cookies are small files stored on your device when you visit a website. Similar technologies, such as pixels, tags and local storage, may also be used.

2. How IPAY uses cookies

IPAY uses cookies and similar technologies to:

- make the website function properly;
- remember cookie preferences;
- secure the website;
- understand website usage;
- improve website performance;
- measure marketing activity, where consent has been given.

3. Types of cookies we use

Necessary cookies

These cookies are required for the website to work. They support basic functions such as security, page navigation, session management and remembering cookie choices. These cookies do not require consent where they are strictly necessary.

Analytics cookies

Analytics cookies help us understand website traffic and user behaviour. We only use these cookies where legally permitted and, where required, after consent.

Marketing cookies

Marketing cookies may be used to measure campaigns or support relevant business communication on third-party platforms. These cookies are only used with consent where required.

4. Third-party cookies

Some cookies may be placed by third-party providers, such as analytics, hosting, CRM, video or marketing tools. These providers may process data according to their own policies.

5. Managing your choices

You can accept, reject or change your cookie preferences through the cookie banner or cookie settings link on our website.

You can also manage cookies through your browser settings. Blocking some cookies may affect website functionality.

6. Withdrawing consent

You can withdraw your consent at any time by opening the cookie settings and changing your preferences. Withdrawing consent does not affect processing that took place before withdrawal.

7. Changes to this Cookie Policy

We may update this Cookie Policy from time to time. The latest version will be available on our website.
